Fellow Roseland Residents,

I first want to thank Roseland for providing me with another four year opportunity to continue the amazing progress and efforts that have been undertaken to improve our community in a way that every resident can benefit from and enjoy.

We are going to continue our efforts to make improvements to recreational facilities in Roseland, which will include improvements to the Harrison Complex, revamping the Snack Shack and the surrounding area to include outdoor seating and a patio, creating more opportunities for emerging and popular sports to be played by residents of all ages, and finding ways to do so using grants, donations, and other creative methods to reduce the tax burden on residents to complete these projects.

Funding was approved in 2022 to make some important capital improvements that residents will start to see over the next few years. This includes purchasing license plate readers, a live scan fingerprint system, and a mobile video surveillance camera so our Police can keep our residents safe and secure. Our Borough Hall will receive new heating and air conditioning units, as well as a new roof, and the parking lot will be repaved and see electric vehicle charging stations installed. A big project to stay tuned for will be the construction of a new Municipal Building which will include a community center and an indoor basketball court.

The Borough also remains committed to incremental infrastructure improvements of paving roads and replacing water mains and lines that have reached an age where new construction and replacement is needed. As new development starts to occur in Roseland over the next few years, the Borough Council and I remain committed to ensuring that these projects will reflect the character of our community and should aim to bring a net benefit to the Borough and not cause any stress, harm, or detriment to Roseland.

As all of these exciting and transformational projects and changes occur in our Borough, I highly encourage you to remain engaged and get involved in this community we all call home. I highly recommend you consider volunteering on a board, committee, or commission. Alternatively, you can serve as a recreation coach for one of the various sports and tournaments held each year. Consider joining one of the many nonprofits in the Borough that do great work for recreation causes, children and youth, developmentally challenged adults, veterans, those with serious diseases, and so many other important causes and goals.

Businesses and organizations are encouraged to volunteer and/or donate money to help improve our Borough events and activities so the public can be more aware of who you are while also helping the Borough save taxpayer dollars that can be spent elsewhere, reducing the need to raise taxes. While the Borough Council and I are heavily involved, we can only do so much. However, when we have the entire Roseland community rallying together and helping each other, strength through community can make such a monumental impact that everyone can start seeing conditions improve for the better at an even faster rate than it has so far.

Let's make 2023 another fantastic and an important transformational year for our Roseland community!

Always for Roseland,

DEPARTMENT OF PUBLIC WORKS

REMINDERS!**

Christopher Critchett, Superintendent - ext. 6856 | ccritchett@roselandnj.org
Gail Ferriola, Public Works Administrative Coordinator - ex. 6047 | gferriola@roselandnj.org
Christopher Schimminger, Water & Sewer Foreman - ext. 6052 | cschimminger@roselandnj.org

The Public Works Department handles maintenance and repair of borough roads and buildings, coordinates garbage and recycling schedules, and handles special pickup of branches, leaves, bulk and metal goods for the community. The mission of the Roseland Department of Public Works is to maintain, repair, and wherever possible, improve the infrastructure of our community. This would include the municipal roads, sidewalks, parking lots, parks, trees, buildings, sewers and also maintain the municipal fleet and to do this in the most efficient manner as possible. This department will strive to continue to provide the high level of service Roseland residents expect and deserve from their Public Works Department.

SUBMIT AN ONLINE WORK REQUEST

Residents who would like to submit a work request to the Department of Public Works can use the new online form to notify the Borough about a variety of potential issues. Inquiries and submissions of issues in your community regarding the following topics can be completed through this form: New Meter Program, Sanitary Sewer Issue, Request a UCC Inspection, Litter Issues, Property Maintenance, Garbage Complaint, Potholes, Request a Final Water Reading, Storm Related Damage, and Water Pressure Issues.

This form can be found on the Borough website, www.roselandnj.org, in two places. You can go to the Government tab, select Public Works, and then click the Public Works Request button OR you can go to the How Do I? tab and under the Submit header, click Public Works Request.

BRANCH, LEAF & VEGETATIVE WASTE

The Department of Public Works begins collection of branches for chipping the first Monday of each month, January through October. There will be no branch collection for the months of November and December of each year due to the leaf collection program. Pickups may be delayed due to the number of stops and/or weather conditions. Branches must be a minimum of 1" in diameter, 3' long and not exceed a maximum of 4" in diameter and 10' long. Branches must not be tied and should be placed on the lawn area as close to the curb as possible. Branches are NOT to be placed in the road. Logs, roots & stumps CANNOT be collected.

Vegetative waste such as grass clippings, shrub cuttings & twigs ARE NOT picked up with your regular household trash or for bulk pickup. The Public Works Department will pick these items up curbside on Wednesdays from April through October of each year. Bio-degradable paper bags are preferred. Reusable containers must be 32 gallons or less in size. Plastic bags will NOT be collected.

There are two seasonal collections for leaves each year. In the spring, leaves can be placed in brown, recyclable paper bags and are collected only on Wednesdays during the months of April and May. Loose leaves should not be raked into the curb area at this time. Commencing in the middle of October, for a period of approximately eight weeks, Public Works provides mechanical curbside collection of loose leaves on **BOROUGH** streets. Residents on these streets can rake their leaves into the curb area during this time period only. As an alternative, residents may also use paper bags. Residents on **COUNTY** roads MUST bag their leaves for Borough collection and receive twenty-four (24) free paper bags per year. Paper bags may be purchased at anytime during the year for .30 each at the Public Works Office. Plastic bags will not be collected. For both Spring and Fall collections, paper bags are picked up on Wednesdays.

Branch, leaf, and vegetative waste items should be placed at the curb after 8pm the night before the scheduled pickup day. Appointments are NOT needed for any branch, leaf, or vegetative waste pickups.

GARBAGE

Roseland residents have twice a week garbage pickup year-round with collection dates based on your side of town. In case of a holiday, pickup is skipped until the next regularly scheduled garbage collection day. Residents who reside in Section 1 have their garbage picked up on Mondays and Thursdays, while residents who reside in Section 2 have their garbage picked up on Tuesdays and Fridays. Garbage and recycling should be placed at the curb after 8pm the night before the scheduled pickup day. A listing detailing the Borough's streets and sections is available on the Public Works webpage on the Borough's website.

All residents have recyclable pickups every Wednesday with alternating weeks between paper/cardboard and commingled recycling. Recycling is mandatory in the Borough of Roseland. Residents must use the curbside pickup as Roseland does not have a recycling center.

For **paper and cardboard** recycling days, residents can put out newspaper, magazines, catalogs, office paper, junk mail, telephone books, corrugated or flat sheet stiff paperboard. Paper must be tied in bundles or placed in paper bags not to exceed 30 lbs. in weight. Cardboard must be tied in bundles not to exceed 3 feet wide by 3 feet long and 18 inches high. It will be picked up at the curb along with each regularly scheduled newspaper collection; however, it must be separated from the newspaper. Gift & cereal boxes are not considered cardboard and are not recyclable. Plastic bags or cardboard boxes are not to be used to bundle paper and cardboard recycling. Hard and/or soft cover books and computer paper are not recyclable and should be put out for Bulk collection.

For **commingled** recycling days, residents can put out glass, aluminum, tin and plastic food and beverage containers. Also included in plastic items are shampoo, detergent and other household cleaning containers. All commingled items must be washed and/or rinsed clean and placed in reusable containers not to exceed 50 lbs. in weight. Paper bags or cardboard boxes are not to be used. Mirrors, window glass, light bulbs, aluminum foil and trays, crystal, ceramic cups and plates, drinking glasses, and plastic toys are not recyclable.

Bulk Collection is on the second Wednesday of each month. AN APPOINTMENT IS NOT NECESSARY. These items include, but are not limited to: Furniture, Non-Metal Shelving, Mattresses & Box Springs Vacuum Cleaners, Sinks, Tubs & Toilets, Rolled Carpeting, and Shower Doors. Certain items are considered hazardous waste and must be disposed of through a State licensed hazardous waste contractor, for example oil-based paint, pesticides, herbicides, motor oil, fluorescent bulbs, car batteries, anti-freeze, turpentine, aerosol spray paints, driveway sealer, and propane tanks. For more information regarding disposal of these items, call the Essex County Utilities Authority at 973-792-9060 or visit www.ecuanj.com.

Metal Collection is on the last Wednesday of each month BY APPOINTMENT ONLY. Appointments must be made any time prior to 3:00 p.m. the TUESDAY before the last WEDNESDAY by calling 973-226-6565. These large metal items include, but are not limited to: Water Heaters, Rims Without Tires, Washers & Dryers, Barbecue Grills (without propane tank), Refrigerators & Freezers, Wrought Iron Furniture, Dishwashers & Stoves, Boilers & Furnaces, Lawnmowers without Tires, Air Conditioners, Bicycles Without Tires, TV Antennas, Disassembled Metal Sheds, and Metal Piping/Storm Doors.

Our garbage contractor, Joseph Smentkowski Carting, collects the bulk and metal materials. Their contract with the Borough does not require them to collect construction materials generated from renovations and/or alterations (sheetrock, lumber, shingles, windows, doors, tile, concrete), tires, fencing, vehicle parts, tree trunks/stumps/roots and rocks and/or dirt. The Borough of Roseland does not have a dumping site.

The Borough of Roseland works with other communities and organizations in the area in order to provide additional services to Roseland residents that the Borough cannot provide. Programs such as Field Hockey, Golf, Football, Cheerleading, and Wrestling are typically available for Roseland families to take advantage of. For a complete and current list of available programs offered to Roseland residents from neighboring municipalities and private sports organization, visit the Recreation webpage on the Borough website or contact the Recreation Department.

BOROUGH PARKS

The Borough is fortunate to have several parks and fields for residents to enjoy. Some of these parks are owned and maintained by the Borough while others are County owned properties or operated in conjunction with other communities.

A full list of parks is available by going to www.roselandnj.org/borough-parks. Information, history, links and photographs of the parks are also posted.

COMMUNITY PASS

The Borough uses Community Pass, an online registration and payment service, to allow residents to sign up for Borough events and Borough recreation programs. If you cannot pay online and must pay by cash or check, you will need to register and pay in-person at the Recreation office located at 140 Eagle Rock Avenue, Monday through Friday between 8:30am and 4:00pm. Residents are highly encouraged to sign up for and to utilize the Community Pass system.

For those that are using Community Pass for the first time and are unsure what to do and how to create an account, a step-by-step video is available on the Borough website and the Borough's YouTube account.

YOUTH & SENIOR PROGRAMS AND ANNUAL EVENTS

Youth Programs run annually by the Recreation Department include basketball, baseball, softball, T-Ball, and soccer. New sports are being explored and are offered all of the time, and residents are encouraged to voice their ideas to the Recreation Department for new programs and sports that can be offered. Competitions run annually by the Recreation Department include Pitch, Hit & Run, Fishing Derby, Jr. Olympics, Soccer Shoot, and Hoop Shoot.

Senior programs offered through the Roseland Senior Society are organized through the Recreation Department, but are decided upon by the Senior Society membership and the Senior Citizen Advisory Board. Seniors wanting to get involved in planning trips and events should join the Senior Society of the Senior Citizen Advisory Board.

PROPERTY TAX PAYMENTS

Property tax bills are mailed out once a year which will include four stubs. Bills usually are sent out over the summer once the new tax rate has been officially approved. The new bills will cover the 3rd and 4th quarter of the current year and the 1st and 2nd quarter of the following year.

The **1st Quarter** lasts from January-March with payment due by **February 1**. The **2nd Quarter** lasts from April-June with payment due by **May 1**. The **3rd Quarter** lasts from July-September with payment due by **August 1**. The **4th Quarter** lasts from October-December with payment due by **November 1**. There is a 10 day grace period for payments. If Borough Hall is closed on the 10th day of the grace period (due to weekend or holiday), they will be due the next business day.

Amounts owed can be found and paid online at the Borough website by going to www.roselandnj.org and clicking the Online Bill Pay button. Please note that no partial payments are accepted online. Bills can also be paid at Borough Hall during business hours or placed in the locked dropbox.

If you are looking for information or assistance in regards to certain property tax benefits, like disabled persons, veteran deductions, and disabled veteran property tax exemptions, you will need to contact the Tax Assessor's office at 973-403-6044 or by emailing taxassessor@roselandnj.org. Please note that the Tax Assessor comes in only on Fridays, so a response could take up to 5 business days to receive.

WATER/SEWER BILLING

Water/Sewer bills are mailed out quarterly with **payment due within 30 days of the billing date**. There is **no grace period for water/sewer bills**. All bills include a flat \$100 meter/sewer fee. Anything over the \$100 fee is the fee for additional water usage.

The **1st Quarter** bill measures usage from **October-December of the previous year**. The **2nd Quarter** bill measures usage from **January-March** of the current year. The **3rd Quarter** bill measures usage from **April-June** of the current year. The **4th Quarter** bill measures usage from **July-September** of the current year.

SENIOR FREEZE/ANCHOR BENEFIT PROGRAM

Residents with questions and those interested in applying for the Senior Freeze program should call the State hotline at **1-800-882-6597**. Those with questions and wanting to apply for the new ANCHOR Benefit Program should call **1-877-658-2972**.

FINAL WATER METER READINGS

When selling your property, residents and business owners **MUST** have performed a final water meter reading before their closing. This will ensure that the new owner's name will appear on the future water bills and not the seller's, so the seller is no longer charged going forward. To learn more about this process and to ask assistance, please contact the Public Works Administrative Assistant at 973-226-6565.

EMERGENCY NOTIFICATION SYSTEM

To provide more reliable communications with residents and businesses in Roseland, the Borough has established an emergency alert system through CivicReady to send phone calls and alerts to those who sign up.

CivicReady in a nutshell is a system that makes phone calls, sends text messages, and sends push alerts to specific people or areas in the event of an emergency or for sharing important information. All calls or messages you receive will come from the telephone number 973-557-6889. If you want to receive these notifications, texts, and phone calls, please fill out the form on the Borough website at www.roselandnj.org and click the button in the footer that says "CivicReady Emergency Notifications". Residents are encouraged to download the free, accompanying mobile application available on the Google Play & Apple Stores.

REMEMBER TO "LOCK"!

Residents are asked to remember the acronym LOCK once they arrive at home at the end of their day. LOCK, which stands for Lock Overnight and take Car Keys, is an important action to take as there have been numerous reports of car thieves and car break-ins in Roseland and in surrounding communities. By leaving valuables, car keys, money, and important documents in plain view, thieves are more likely to attempt to break into your vehicle. Some incidents have even occurred where thieves were able to simply enter a vehicle parked in a driveway as it was left unlocked.

INTERNET TRANSACTION SAFE ZONE

Roseland has created a safe location to conduct sales transactions that originate on the internet that residents are encouraged to utilize. This location is in front of the Roseland Police Station and has a live video surveillance camera that is also recorded. There is a sign by a parking spot in front of the police station indicating this location.

PROJECT MEDICINE DROP BOX

The Borough wants to assist residents in fighting against the nationwide epidemic of opiate and heroin abuse. Working with Attorney General's office, the Police Department has installed a Project Medicine Drop located in the Police Department lobby. This convenient drop allows our residents to securely dispose of unused or excess medication 24 hours a day. We should all do our part to battle this serious issue plaguing our nation. The medicine drop box is located in the lobby of our police station at 15 Harrison Avenue and it provides our residents a safe and secure method of disposing of unneeded medication.

PAY PARKING OR TRAFFIC TICKET ONLINE

Anyone receiving a traffic ticket in the Borough of Roseland can pay their ticket using NJMCDirect - a fast, secure, convenient way to access your traffic ticket information online. You will need your parking or traffic ticket, your license plate number, a Visa or Mastercard, and the Municipal Court Code ID - which for Roseland is 0718.

FIREARMS APPLICATION & REGISTRATION SYSTEM

Anyone who owns or wants to own a firearm in the State of New Jersey must fill out an application and register their firearm. Residents who are unfamiliar with this process should contact the Police Department at 973-226-8700 to receive assistance in complying with the processes and procedures required.
