

“Birthday Party Collection” Sponsored by the Roseland Junior Woman’s Club

The Safe House is a safe shelter for battered women and their children located in Essex County. The Safe House provides safe, temporary housing for women and children. Also provided are emergency medical treatment, emotional support, counseling to those in crisis and assistance with welfare, child care, vocational and educational referrals, legal and housing advocacy, help in police and court proceedings and nutritional meals. Children at The Safe House do not get to experience a “real birthday party” like most children do. Therefore, the Roseland Junior Woman’s Club is collecting “Birthday Party” items that will be used at The Safe House for children celebrating a birthday while being housed there with their mother. Your donations will help put a smile on a child’s face. A collection box is located at the Roseland Public Library and will run through January 22nd. Any questions, please call Michele Tolli @973-228-6512 evenings or Vienna Mooney @973-226-2050 evenings. Thanking you in advance for your continued support in our many projects.

Birthday Items Needed: paper plates, paper napkins, party hats, paper table cloths, candles, cake mixes and frosting, cupcake liners, coloring/activity books, crayons, noise makers, cake decorations, small party favors, etc.
