For Immediate Release: March 5, 2018

**EAST HANOVER TOWNSHIP HEALTH DEPARTMENT AND THE ROSELAND BOARD OF HEALTH  
OFFERS WOMEN'S CANCER SCREENING**

The East Hanover Health Department and the Roseland Board of Health will conduct a Female Cancer Screening to be held on Saturday, April 7, 2018 from 9:00 am – 11:00 am at the Senior Citizens Center, 96 Mt. Pleasant Ave., East Hanover.

The East Hanover Health Department has developed a comprehensive screening program based on the premise that early detection is the BEST way to fight cancer. For a \$35.00 fee, a female medical doctor, Dr. Rohina Jobenputra, will do a breast exam, a PAP test to check for cervical cancer, and a rectal exam. A hemocult slide to check for hidden blood in stool will also be done.

Literature is available on a variety of health-related topics. Time is provided for each participant to learn about breast self-examination and speak privately with a registered nurse.

To make an appointment, call the East Hanover Health Department at (973) 888-6035, Monday through Friday, 8:30 am – 4:30 pm.
