

# ROSELAND MUNICIPAL YOUTH GUIDANCE COMMITTEE

Roseland, New Jersey

*"To make a difference in someone's life, you don't have to be brilliant, rich, beautiful or perfect. You just have to care".*

The Municipal Youth Guidance Council (MYG) is open to all Roseland, high school students enrolled in private and public schools. The MYG objective is to provide community service through a variety of activities which develop the character of our students and enforces traits that will support lifelong achievement.

- \$1,000.00 for the first place winner
- \$750.00 for second place winner
