To protect the public and animals from the spread of rabies to animals and humans, since rabies is transmissible to humans and is fatal in all cases, the Borough Council adopted an ordinance requiring **LICENSES** for **ALL dogs/cats seven months of age or older by the end of February of each year**. Failure to obtain the license constitutes a violation of the ordinance. It is also required that animals so licensed wear a collar with the registration tag securely attached. Fees for licensing are as above. A delinquent licensing fee of \$5.00 shall be required for any unlicensed animal after the last day of February. The payment of the delinquent licensing fee shall not relieve the person from liability for violation of the ordinance.

### TO OBTAIN A DOG/CAT LICENSE BY MAIL:

1. Forward a check payable to the "Borough of Roseland" for the correct amount according to the above fees. **DO NOT** include your check and application papers with water/sewer or tax payments!
2. Enclose a stamped, self-addressed envelope.
3. Include proof of rabies vaccination and date of vaccination if information was recently updated.
4. Include proof of neutering/spaying, if not submitted previously. If your dog/cat is neutered/spayed and you cannot locate proof, please take the time NOW to obtain proof from your veterinarian.
