Exemption from FATCA reporting code. The following codes identify payees that are exempt from reporting under FATCA. These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. Therefore, if you are only submitting this form for an account you hold in the United States, you may leave this field blank. Consult with your financial advisor to determine if your financial institution is subject to these requirements. A requester may indicate that a code is not required by providing you with a Form W-9 with "No Application" (or any similar indication) written or printed on the line for a FATCA exemption code.

C—A state, the District of Columbia, a U.S. commonwealth or possession, or any of their political subdivisions or instrumentalities

K—A broker
L—A trust exempt from tax under section 564 or described in section 4947(a)(1)
M—A tax exempt trust under a section 403(b) plan or section 457 plan

Note. You may wish to consult with the financial institution requesting this form to determine whether the FATCA code and/or exempt payee code should be completed.

Line 5
Enter your address (number, street, and apartment or suite number). This is where the requester of this Form W-9 will mail your information return.

Line 6
Enter your city, state, and ZIP code.

Part I. Taxpayer Identification Number (TIN)
Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS Individual taxpayer identification number (ITIN). Enter it in the appropriate space under the social security number box. If you do not have an ITIN, see How to get a TIN below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (Limited Liability Company (LLC) on this page), enter the owner’s SSN (or EIN, if the owner has one). Do not enter the disregarded entity’s EIN. If the LLC is classified as a corporation or partnership, enter the entity’s EIN.

Note. See the chart on page 4 for further clarification of name and TIN combinations.

How to get a TIN. If you do not have a TIN, apply for one immediately. To apply for an SSN, get Form SS-5, Application for a Social Security Card, from your local SSA office or get this form online at www.ssa.gov. You may also get this form by calling 1-800-772-1213. Use Form W-7, Application for IRS Individual Taxpayer Identification Number, to apply for an ITIN, or Form SS-4, Application for Employer Identification Number, to apply for an EIN. You can apply for an EIN online by accessing the IRS website at www.irs.gov/businesses and clicking on Employer Identification Number (EIN) under Starting a Business. You can get Forms W-7 and SS-4 online from the IRS by visiting IRS.gov or by calling 1-800-TAX-FORM (1-800-829-3676).

If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN, apply for and write “Applied For” in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Entering “Applied For” means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

RE: New Exemption Form & Exemption Fee Effective January 1, 2009

As we discussed, it is recommended that each applicant provide your office with a Certification letter for Soil Erosion & Sediment Control Plans or with a district authorized Request for 251 Exemption prior to issuing any municipal permits.

You should be aware that as of 1/1/09 our district will now charge a nominal $50 fee to process “Exemption Requests”. An updated copy of our Exemption Application is attached for your convenience.

The NJ State Soil Conservation Committee approved a new fee schedule (attached) for the Hudson-Essex-Passaic Soil Conservation District. Please know that this is the first increase our district has received in eighteen years. These new fees shall be effective January 1, 2009.

All administratively complete application packages or Exemption Requests received prior to January 1, 2009 shall not be affected by the fee increase. All Exemption Requests or application packages received on or after January 1, 2009 must be submitted with the newly approved corresponding fee.

All checks for Exemption Requests and Soil Erosion & Sediment Control Plan applications should be made payable to HEP-SCD.

If you require additional information or assistance you may call us or e-mail us at information@hepscd.org. Our office hours are Monday through Friday from 8:00 a.m. to 4:00 p.m.
REQUEST FOR 251 EXEMPTION – Submit with a Site Plan

I request that the subject land disturbance activity be reviewed for exempt status under the NJ Soil Erosion and Sediment Control Act (N.J.S.A. 4:24-et.seq.). I understand that the fee for this review is $50 (check payable to HEP-SCD) and should the activity not be deemed exempt, I will need to submit a formal application, a signed and sealed Site Plan to include a Soil Erosion & Sediment Control Plan, and the appropriate fee. I agree that if the proposed activity changes from the site plan submitted with this application, it will render this exemption, if granted, void and will require a reassessment of my exemption status by the District. Exemption means the subject land disturbance is exempt from formal Soil Erosion & Sediment Control Plan certification and the applicant will assume responsibility for the use of appropriate soil erosion control measures.
